## 1. Registration

- 1.1. At first you have to create an account for your whole family, you can accomplish this by clicking the "Get Started" button.

1.2. Then you have to switch to the "Registration" tab, since you want to create an account.

The image shows a registration form interface. At the top, there is an orange header bar with two tabs: "LOGIN" and "REGISTER". The "REGISTER" tab is selected. Below the header, the word "Hello" is displayed in a large, black, sans-serif font. To the right of "Hello" is a red outline of an upward-pointing arrow. Below this, there are two input fields: "Email" and "Password", each with a horizontal line for text entry. At the bottom of the form, there is an orange button labeled "CONNECT" and a blue link labeled "Forgotten password?".

1.3. Now you have to enter your last name (the name of the family will be determined here), your email address and your future password two times. After you are finished please check your data once again since you cannot change it later. After that continue with creating your family and adding family members by clicking the

"Register" button.

The image shows a registration form interface. At the top, there is an orange navigation bar with two tabs: "LOGIN" and "REGISTER". The "REGISTER" tab is active. Below the navigation bar, the word "Welcome" is displayed in a large, dark font, accompanied by an information icon (i) in a circle. The form consists of four input fields: "Family Name", "Email", "Password", and "Password confirmation". Each field has a corresponding label above it. At the bottom of the form, there is an orange "REGISTER" button. A red arrow points to this button from the right. To the right of the button is a question mark icon (?) in a circle.

- 1.4. Now simply enter the name and the last name of each family member, you can also enter their birthday (so you will never forget one again), their gender and also the "role" they play in your family (Parent, Child, etc). If you are finished with creating a family member you can click the "Next One" button to create another one

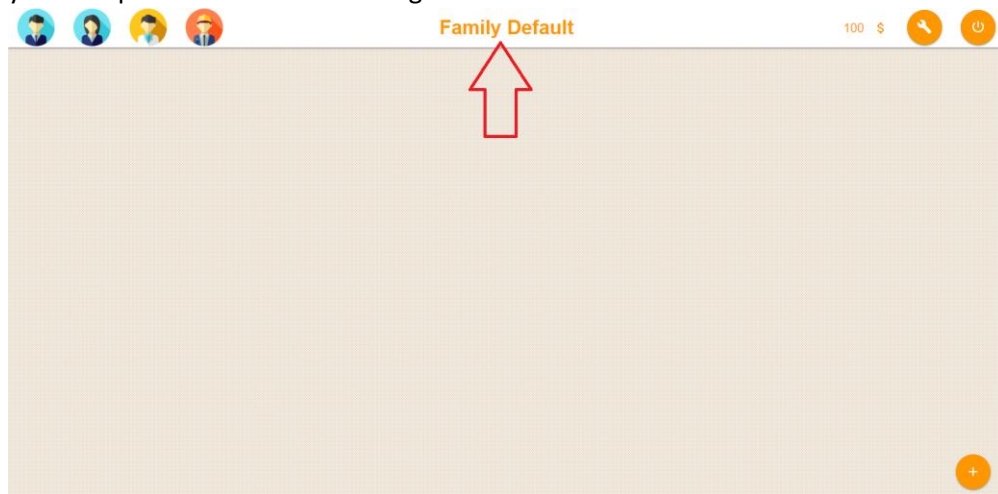

## Add family members
